**Titles and Categories**

**Instructions:** Use these title acronyms for answering questions about titles earned (trained and/or handled) by the breeder or titles attained by a buyer.

Titles earned are a means of showing the level of experience and training knowledge of the breeder, and the success of their breeding program through those titles attained by their buyers.

State only the highest level attained in each category. Example – if MH is highest level in the Hunting category. Do not state JH, SH, MH on the application, just MH.

No not include the number of titles earned in each category.

For non-AKC titles earned, both US and foreign county, include title and organization. Or, if you prefer, use the AKC equivalents with the (equiv.) identifier. Examples – MH (equiv.), UJJ (UKC)
